Terms and Conditions

GENERAL INFORMATION AND KEY TERMS: This Account statement is furnished solely by Charles Schwab & Co., Inc. ("Schwab") for your Account at Schwab ("Account"). Unless otherwise defined herein, capitalized terms have the same meanings as in your Account Agreement. If you receive any other communication from any source other than Schwab which purports to represent your holdings at Schwab (including balances held at a Depository Institution) you should verify its content with this statement.

Accrued Income: Accrued Income is the sum of the total accrued interest and/or accrued dividends on positions held in your Account, but the interest and/or dividends have not been received into your Account. Schwab makes no representation that the amounts shown (or any other amount) will be received. Accrued amounts are not covered by SIPC account protection until actually received and held in the Account. **AIP (Automatic Investment Plan) Customers:** Schwab receives remuneration in connection with certain transactions effected through Schwab. If you participate in a systematic investment program through Schwab, the additional information normally detailed on a trade confirmation will be provided upon request.

Average Daily Balance: Average daily composite of all cash balances that earn interest and all loans from Schwab that are charged interest. **Bank Sweep and Bank Sweep for Benefit Plans Features:** Schwab acts as your agent and custodian in establishing and maintaining your Deposit Account(s) as a feature of your brokerage Account(s). Deposit accounts held through these bank sweep features constitute direct obligations of one or more FDIC insured banks ("Program Banks") that are not obligations of Schwab. Funds swept to Program Banks are eligible for deposit insurance from the FDIC up to the applicable limits for each bank for funds held in the same insurable capacity. The balance in the Deposit Accounts can be withdrawn on your order and the proceeds returned to your brokerage Account or remitted to you as provided in your Account Agreement. For information on FDIC insurance and its limits, as well as other important disclosures about the bank sweep feature(s) in your Account(s), please refer to the Cash Features Disclosure Statement available online or from a Schwab representative. **Cash:** Any Free Credit Balance owed by us to you payable upon demand which, although accounted for on our books of record, is not segregated and may be used in the conduct of this firm's business. **Dividend Reinvestment Customers:** Dividend reinvestment transactions were effected by Schwab acting as a principal for its own account, except for the reinvestment of Schwab dividends, for which an independent broker-dealer acted as the buying agent. Further information on these transactions will be furnished upon written request. **Gain (or Loss):** Unrealized Gain or (Loss) and Realized Gain or (Loss) sections ("Gain/Loss Section(s)") contain a gain or a loss summary of your Account. This information has been provided on this statement at the request of your Advisor, if applicable. This information is not a solicitation or a recommendation to buy or sell. **Schwab does not provide tax advice and encourages you to consult with your tax professional. Please view the Cost Basis Disclosure Statement for additional information on how gain (or loss) is calculated and how Schwab reports adjusted cost basis information to the IRS.** **Interest:** For the Schwab One Interest, Bank Sweep, and Bank Sweep for Benefit Plans features, interest is

paid for a period that may differ from the Statement Period. Balances include interest paid as indicated on your statement by Schwab or one or more of its Program Banks. These balances do not include interest that may have accrued during the Statement Period after interest is paid. The interest paid may include interest that accrued in the prior Statement Period. For the Schwab One Interest feature, interest accrues daily from the second-to-last business day of the prior month and is posted on the second-to-last business day of the current month. For the Bank Sweep and Bank Sweep for Benefit Plans features, interest accrues daily from the 16th day of the prior month and is credited/posted on the first business day after the 15th of the current month. If, on any given day, the interest that Schwab calculates for the Free Credit Balances in the Schwab One Interest feature in your brokerage Account is less than \$.005, you will not accrue any interest on that day. For balances held at banks affiliated with Schwab in the Bank Sweep and Bank Sweep for Benefit Plans features, interest will accrue even if the amount is less than \$.005. **Margin Account Customers:** This is a combined statement of your margin account and special memorandum account maintained for you under Section 220.5 of Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account as required by Regulation T is available for your inspection. Securities purchased on margin are Schwab's collateral for the loan to you. It is important that you fully understand the risks involved in trading securities on margin. These risks include: 1) You can lose more funds than you deposit in the margin account; 2) Schwab can force the sale of securities or other assets in any of your account(s) to maintain the required account equity without contacting you; 3) You are not entitled to choose which assets are liquidated nor are you entitled to an extension of time on a margin call; 4) Schwab can increase its "house" maintenance margin requirements at any time without advance written notice to you. **Market Price:** The most recent price evaluation available to Schwab on the last business day of the report period, normally the last trade price or bid as of market close. Unpriced securities denote that no market evaluation update is currently available. Price evaluations are obtained from outside parties. Schwab shall have no responsibility for the accuracy or timeliness of any such valuations. Assets Not Held at Schwab are not held in your Account or covered by the Account's SIPC account protection and are not otherwise in Schwab's custody and are being provided as a courtesy to you. Information on Assets Not Held at Schwab, including but not limited to valuations, is reported solely based on information you provide to Schwab. Schwab can neither validate nor certify the existence of Assets Not Held at Schwab or the accuracy, completeness or timeliness of the information about Assets Not Held at Schwab, whether provided by you or otherwise. Descriptions of Assets Not Held at Schwab may be abbreviated or truncated. Some securities, especially thinly traded equities in the OTC market or foreign markets, may not report the most current price and are indicated as Stale Priced. Certain Limited Partnerships (direct participation programs) and unlisted Real Estate Investment Trust (REIT) securities, for which you may see a value on your monthly Account statement that reflects the issuer's appraised estimated value, are not listed on a national securities exchange, and are generally illiquid. Even if you are able to sell such securities, the price
